

Robert Perkins is a very interesting person, a writer and filmmaker about several odysseys of body and soul and we're both expecting he'll be on hand for next year's Reel Madness Film Festival.

Dear Bruce - You are very kind to want to show my 1st film. After seeing the enclosed [video: Talking To Angels] , you may want to show it, too. Then there is the book.... [also enclosed] talking about mental illness. I would love to come and make a day of it - show the films and read from my book, answer questions, share and listen. I'm sure we can find a way to do this. You look great as a nun. All the best, Robert Perkins
