One Week

- A film by Michael McGowan

“When confronted with his mortality, Ben Tyler (Joshua Jackson) impulsively buys a vintage motorcycle and sets off on a road trip that starts in Toronto and ends up on Vancouver Island in the town of Tofino. Humorous, profound and extremely moving, One Week uses the great Canadian landscape as the backdrop to the story of a man and his life journey. In the search for himself, he finds out what makes this country, and his life, so beautiful.”

Along the way our protagonist visits some of Canada’s “big things”; hockey sticks, nickels, even, as above, deck chairs, that litter our countryside. 94min Canada 2008 PG13
