PEACE WARRIOR

51min 2009 Pg

Wheeling the Olympic torch

The ultimate recovery story, this is a truly incredible film about Capt. Trevor Greene, the reservist who, on a peace mission in Afghanistan in 2006, was attacked with an axe to the head. He came home comatose and expected to stay that way, if he lived at all. He and Debbie, his wife-to-be (in July), have worked astonishingly hard on his recovery, surprising everyone.

Trevor and Debbie live in Nanaimo and be joining us for a Q&A following the 6:30 screening!

2009 Gemini winner for Best Biography Documentary!

"Peace Warrior has already won Best Biography Documentary at the Yorkton Film Festival, a CINE Golden Eagle Award, and was a finalist at both the Gabriel Awards and the Freddie Awards in the U.S."
