

# MOVIE MONDAY'S THURSDAY MOVIE on 3B

**"3B Movies"**

**THURSDAY July 15 6:30**

## **DANNY DECKCHAIR**

....a discovery, a lovely romance, a little fantasy, a metamorphosis, a fun adventure with a few bumps thrown in.

Apparently based, (I'm sure very loosely) on a real deck-chair pilot, here's the tale of a cement truck driver named Danny, whose long awaited vacation is cancelled thanks to his scheming girlfriend.

With the help of a deck chair lifted by clusters of helium balloons, our Australian protagonist chances upon a whole new chance at life.

This was Movie Monday's choice to celebrate it's 12th anniversary. A good time was had by all. 100min 2003 Pg13
