Dear Sir:

Thank you for sending us your catalogues. As I stated in my letter of January 23, 1974, we are interested in receiving review copies of books which are of interest to the readers of our newspaper which has a circulation of 2,000. I am enclosing a copy of our latest issue, which, you will notice on page 8, contains an article on our crafts program.

Many of our readers are interested in this subject, and we are confident that reviews of some of the titles listed in your Fall/73 Art and Craft Catalogue would ensure sales of the books reviewed.

Accordingly, we are interested in receiving complementary review copies of the following:

- 1) Millicent Zahn Book of Plastics Craft by Millicent Zahn; ISBN (paper) 0-442-29582-0.
- 2) The Sensuous Gadgeteer by Bill Abler
- 3) Pottery: Raku Technique by Finn Lynggaard; ISBN (paper) 0-442-29979-6
- 4) Print Making without a Press by Janet D. Erickson and Adelaide Sproul; ISBN 0-442-22323-4
- 5) Painting with Acrylics by William Kortlander; ISBN 0-442-24514-9

We will be pleased to receive as many of the above titles as possible and will carry reviews of those received in our upcoming edition.

Thank you kindly for your attention in this matter.

Yours very truly,

*L. J. Beckman*
